APPLICATION FOR ACCOMMODATION & BOARD

Instructions: Please indicate first and second choices for accommodation. If names are not known at time of application, indicate by "Student A" etc. This application should be returned by **April 1st** to allow us time to accommodate your needs. Preliminary space allocations will be made by **15th of April**. Applications will not be considered from researchers with unpaid bills from previous years. Please contact us should you have queries about space and timing. **Please make requests for lab space on your research application form. Once your application is approved, a link to the QUBS user form will be shared. Please ensure all members of your team complete the online User form prior to arrival on site.**
